

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

RAHINAH IBRAHIM,

Plaintiff,

No. C 06-00545 WHA

v.

DEPARTMENT OF HOMELAND  
SECURITY, et al.,

Defendants.

**ORDER RE PLAINTIFF'S  
RESPONSE RE PLAINTIFF'S  
DAUGHTER (DKT. NO. 658)**

On the first day of trial, before opening statements, plaintiff's counsel reported that plaintiff's daughter, a United States citizen and a witness disclosed on plaintiff's witness list, was allegedly not permitted to board her flight to the United States to attend trial. The parties were ordered to investigate the allegations and provide relevant declarations and testimony. On December 3, Plaintiff was told that if Raihan Mustafa Kamal, plaintiff's daughter, wished to testify at trial regarding her travel difficulties, she could.

On December 5, the government provided plaintiff's counsel and the undersigned judge with hard copies of the Declaration of Maureen Dugan (sealed, not filed). Plaintiff filed the Declaration of Raihan Binti Mustafa Kamal (Dkt. No. 651). Plaintiff also filed a declaration from herself regarding a September 2013 visa application.

On December 6, after closing statements, an evidentiary hearing was held regarding plaintiff's daughter's travel difficulties. Maureen Dugan, the Deputy Executive Director, Office of Field Operations, at the National Targeting Center testified. The government conducted a

1 direct examination, plaintiff conducted a cross-examination, the government conducted a  
2 redirect, and the undersigned judge asked questions. Both parties lodged objections to questions,  
3 but some of the evidentiary rules were relaxed in light of Maureen Dugan's research (but lack of  
4 direct personal knowledge) on the circumstances of plaintiff's daughter's travel difficulties.  
5 Plaintiff requested that the evidentiary proceedings and associated declarations be included in  
6 the trial record and the government objected. Plaintiff was permitted to propose findings of fact  
7 and conclusions of law related to plaintiff's daughter.

8 At the end of the post-trial evidentiary hearing, plaintiff was also provided an opportunity  
9 to decide whether she wanted to reopen the trial to permit the daughter to testify. Plaintiff has  
10 now stated that she intends to proceed on the evidence presented at trial, will not bring her  
11 daughter to testify, but renews her request to include the evidentiary hearing and associated  
12 declarations in the trial record (Dkt. No. 658).

13 Plaintiff's request shall be treated as a motion. The government should respond by  
14 **DECEMBER 13 AT NOON**, when the first round of proposed findings of fact and conclusions of  
15 law are due. Plaintiff may reply when responses are due on **DECEMBER 20 AT NOON**. Each  
16 response and reply shall be no more than **SEVEN PAGES** over and above the existing page limits  
17 and shall be separate from the main proposed findings and responses. Each shall state the  
18 specific findings and counterfindings proposed based on the evidentiary hearing and associated  
19 declarations without prejudice to the government's contention that they should not be part of the  
20 trial record.

21  
22 **IT IS SO ORDERED.**

23 Dated: December 10, 2013.
